Annual Report

Under A.R.S. § 41-1051(F)

Kathy I. Zatari, Administrator
July 31, 2006

THE GOVERNOR'S REGULATORY REVIEW COUNCIL

July 1, 2005 through June 30, 2006

The purpose of the Governor's Regulatory Review Council (Council) is to review and approve or return rules, preambles, and economic, small business and consumer impact statements prepared by state agencies under grants of rulemaking authority from the Arizona Legislature. The standards that the Council uses to decide whether to approve or return an agency's rule-related materials are at A.R.S. § 41-1052(C) through (E).

COUNCIL RESPONSIBILITIES

Under the Administrative Procedure Act, the Council is required to:

1. Review and approve or return, in whole or in part, a rule, preamble, and economic, small business, and consumer impact statement submitted by an agency (A.R.S. § 41-1052(B));
2. Schedule a periodic review of each agency's rules and approve or return, in whole or in part, the agency's report on its review (A.R.S. § 41-1056(B));
3. Receive reports of compliance with time-frame rules from agencies that issue licenses and report results to the governor, president of the senate, and speaker of the house of representatives (A.R.S. § 41-1078);
4. Receive and hear appeals regarding an agency's practice or substantive policy statement (A.R.S. § 41-1033(B));
5. Receive and hear appeals regarding the economic, small business, and consumer impact statement of an agency's rules (A.R.S. § 41-1056.01(D));
6. Receive and hear appeals regarding an agency delegation agreement (A.R.S. § 41-1081);
7. Receive certifications of compliance with A.R.S. § 41-1091 from all agency heads (A.R.S. 41-1091(D)); and
8. Receive reports from agencies regarding their progress toward completing the courses of action established in their five-year-review reports (A.R.S. § 41-1056(H)).

COUNCIL ACTIVITIES

1. Review and Act upon Submitted Rules

A.R.S. § 41-1052 requires an agency to submit and obtain Council's approval of a rule package, which consists of a rule, preamble, and economic, small business, and consumer impact statement, before the rule package is filed with the Secretary of State. In 2005-2006, agencies submitted one hundred and fifteen rule packages for review and action by the Council. In these packages, the agencies repealed 336 rules, made 528 new rules, amended 610 existing rules, and renumbered 34 existing rules, for a total of 1,508 rulemaking actions. In accordance with A.R.S. § 41-1051(F)(1), a list of agency rules approved by Council under A.R.S. § 41-1052 during this year is attached to this report as Appendix A.

2. Schedule and Act upon Five Year Review Reports

A.R.S. § 41-1056 requires each agency to review all of its rules at least once every five years to determine whether any rule should be amended or repealed and to summarize its findings in a report to Council. During this year, the Council received and approved thirty-six Five Year Review Reports. The reports summarized reviews of nine hundred and fifty-six rules. In these reports, agencies determined that certain of their rules need to be repealed or amended, and provided the Council with a schedule of when the planned rulemakings would be completed.

3. Receive Reports on Progress toward Completing the Courses of Action Established in Five Year Review Reports

A.R.S. § 41-1056(H) requires agencies to report on their progress toward completing the courses of action established in their Five Year Review Reports. All of the agencies required to submit a progress report this year did so. Appendix B lists the agencies reporting progress toward completion of those courses of action, as well as those reporting a lack of progress.¹

The proposed courses of action contained in Appendix B are described as: (1) Completed, (2) Some Progress, or (3) No Progress. Agency activity is described as "Completed" where the rulemaking process was completed, and date of publication provided. Agency activity is described as "Some Progress" where, at minimum, a Notice of Docket Opening was filed. Agency activity is described as "No Progress" where a Notice of Docket Opening has not yet been filed.² However, there may have been significant reasons or circumstances why this has not yet occurred; a list of endnotes following the table in Appendix B sets forth the explanation of these circumstances noted by the agencies.

¹ Five Year Review Reports submitted to the Council from July 2001 to June 2006 are included in Appendix B.

² Unless a specific number of rules is indicated, the descriptions "Completed", "Some Progress", or "No Progress" apply to all rules discussed in the agency's Five Year Review Report.

4. Receive Reports of Compliance with Time-frame Rules

In accordance with A.R.S. § 41-1078(B), in December 2005, the Council submitted a report regarding agencies' compliance with their time-frame rules during the 2004-2005 fiscal year to the Governor, the President of the Senate, and the Speaker of the House of Representatives.

5. Receive and Hear Appeals Regarding an Agency's Practice or Substantive Policy Statement, Regarding the Economic, Small Business, and Consumer Impact Statement of an Agency's Rules, or Regarding an Agency Delegation Agreement

Appeal of an Agency Delegation Agreement

No appeal was made to Council regarding an agency delegation agreement.

Appeal of an Agency Practice or Substantive Policy Statement

A.R.S. § 41-1033(B) allows a person to appeal to Council an agency's decision not to review an existing practice or substantive policy statement that the person asserts constitutes a rule. No appeal was made to Council under A.R.S. § 41-1033(B).

Appeal of an Agency Economic, Small Business, and Consumer Impact Statement

No appeal was made to Council regarding the economic, small business, and consumer impact statement of an agency's rules.

6. Receive Certifications of Compliance with the Substantive Policy Statement Directory Requirement

A.R.S. § 41-1091 requires all agencies to publish annually a directory summarizing the subject matter of all currently applicable rules and substantive policy statements. The directory, rules, substantive policy statements, and any materials incorporated by reference must be kept in one location and open to public inspection. Under A.R.S. § 41-1091(D), an agency head is required annually to certify to the Council that the agency is in compliance with this requirement.

As required by A.R.S. § 41-1051(F)(2), the agencies that failed to submit the required certification are as follows:

- Public Safety Personnel Retirement System
- Veterans' Service Commission

Respectfully submitted this 31st day of July, 2006.
